No boats may have walleye on board prior to the start of the tournament. All boats must carry and display markings provided by the tournament officials. Tackle and Bait: State rules and regulations apply. Contestant banner must be displayed during tournament. Spare equipment may be carried in the boat.

Boat Operation: Each entrant is required to wear a Coast Guard approved PFD upon take-off and when the boat is being operated at planing speed. Teams may depart from the tournament headquarters only under the direction of the tournament officials. It is considered good sportmanship to maintain a minimum of 20' from another boat. Unsportsmanlike conduct and cheating will result in disqualification. Interpretation of rules shall be left exclusively to the tournament officials and all decisions will be final.

Catch and Release (Culling) Policy: The use of an aerated live well is mandatory. No exceptions! All fish must be kept in good condition. Any fish that has been injured by hook or handling may not be released. Whenever a fish in the live well is replaced with a new catch, the fish to be released must be in good condition. No species other than walleye may be kept in the boat. All incidental catches must be released immediately unharmed.

Checking-in and Late Penalty: All boats must be checked in each day regardless if the team has fish or not. The team number and arrival time will be recorded upon arrival. Boats arriving after official check in time will be penalized 10% of that days catch weight and will be eliminated from any big fish option prizes. Boats over fifteen (15) minutes late will be disqualified for that day.

Scoring: Each team may weigh up to six (6) walleye per day, only two (2) of which may be **24" or over**. If any fish shows signs of poor handling these fish WILL NOT be weighed. The weigh master will make all determinations as to the condition of each fish, as well as length and weight. Final measurement is determined on a flat board with mouth closed and the tail in a relaxed position. **Any team's bag limit consisting of more than two (2) walleye 24" or over will be disqualified for that day.** Each dead fish will incur an 8 oz. penalty, the 3rd dead fish will DQ team for the day. Big Fish must be alive to qualify for Option Pot Big Fish of the day. **Big Fish must be weighed first,** Final weight is determined after any penalties have been assessed. The weigh master's decision is final. Awards of prizes will be based on the two day weight total. Winners must pass a polygraph test, at their expense, if required to do so by tournament officials. Once a participant brings fish to the scale they may not return to boat until fish are weighed and slip is issue. It is the responsibility of participants to bring all retained fish to the scale without causing delay to other anglers. Example: Boat 1 brings 5 fish to the scale and realizes he/she forgot a fish in the livewell. The 5 fish would be weighed as their daily catch.

Fish Care & Release: Each team is responsible for releasing their own fish after they are weighed in. Fish must be taken back out of the marina and released in the main body of Water.
